Rear Admiral John L. Butts, USN  
Director of Naval Intelligence  
Department of the Navy  
Washington, D. C. 20350

Dear John:

I should like to express my appreciation to you and to all your people who were involved in the preparation of the Congressional Justification Books for the Consolidated FY 1986 NFIP Budget. I should particularly like to thank Arthur Myer and Edgar W. Tullar, for their hard work which enabled us to develop a well-structured Special Navy Justification Book.

The outstanding performance and cooperation of your people in this effort were major factors in meeting the Congressional submission date.

Sincerely,
